
PARADE ROUTE MAP CODING

PLAN AND CREATE A 3D MAP OF YOUR NEIGHBORHOOD OR THE MACY'S PARADE ROUTE. TRY TO USE RECYCLABLES TO MAKE YOUR DESIGN COME TO LIFE!

REQUIRED SKILLS:

Coloring, cutting

SUGGESTED MATERIALS:

Shoobox, cardboard, tape, popsicle sticks, pipe cleaners, paper towel roll

QUESTION TO PONDER:

What's the fastest way to get from one side of your map to the other?

DIRECTIONS:

- 1 Use the map of the Macy's Parade route, a map of your neighborhood, or your imagination to create your own special parade route using your crafting supplies.
- 2 When you're done, pick one special place on your map and write out instructions on how to get there.
