
SUPERHERO CLOWN CAPES

DESIGN YOUR VERY OWN SUPERHERO CAPE USING AN OLD T-SHIRT AND MARKERS.

Just like the superhero clown group in the Parade, be silly and have with your design.
It should represent you!

REQUIRED SKILLS:

Coloring, cutting, pasting

SUGGESTED MATERIALS:

Old t-shirt, fabric markers, paint,
scissors, string or ribbon

QUESTION TO PONDER:

How can you safely keep your cape from
getting caught on anything as you run from
one side of the room to the other?

DIRECTIONS:

- 1 After finding a t-shirt you no longer need, use fabric markers to draw and make designs on the back. You can also use stencils to make letters!
- 2 Have an adult cut out the sleeves and front of the shirt. Make sure to keep the neckline intact to put your cape on.
